Michael Nyman – Achievement Award and Film Music Concert at Kölner Philharmonie

His music for the film “The Piano” made him world famous: Michael Nyman is “one of the best known composers in the world” (Die Zeit). Always on the lookout for new challenges, his work not only includes film music – Nyman is, among other things, a conductor, pianist, video artist and writer. In presenting him with the Achievement Award we honour one of the most versatile artists of our time.

On the occasion of the award ceremony Nyman will perform with the Michael Nyman Band at Kölner Philharmonie, presenting his new soundtrack for one of the classics in film history: silent movie “The Man with a Movie Camera” by Dziga Vertov.
